In response to the notification dt 30th June 1945, calling for objections re the fare list etc a joint representation has come up for favour and the same is put up for favour of kind perusal.

Re the rates by distance there seems to be no objection except that they want the minimum to be at least as /4/- instead as /2/- as published. As re the fares by time", it is represented that the tonga or gutta cannot be allowed for the Public Conveyance for full 24 hours and request that the item may be deleted.

Re increase of Vehicle Tax to Tonga from Rs 2/- to Rs 3/- they have objected and request that the original tax may be restored
